

Impacting our schools' classrooms and students' education.

Colbert County Schools Education Foundation Goals and Objectives:

- Encourage academic excellence in the Colbert County School District by providing funding not available through traditional local, state and federal sources.
- Provide opportunities for Colbert County School teachers and staff to develop innovative projects through grants.
- Invest in programs that have a positive impact on student success.
- Develop a network of former Colbert County School District students/families to encourage their continued interest in and support of public education.
- Seek and cultivate stakeholder, private and corporate funding sources.
