Re: Fresh Fruit and Vegetable Grant

ADMINISTRATIVE ASSISTANT
TO SUPERINTENDENT
Michelle Ragan

Colbert County Schools is proud to announce that we have been awarded funds thru a grant for Fresh Fruit and Vegetables for the upcoming school year (2019 – 2020) once again. The intent of this program is to increase fruits and vegetables consumption, which will make a difference in our children's eating habits. We greatly appreciate the support of the school staff, as well as the parents.

DEPUTY SUPERINTENDENT
OF OPERATIONS AND
FINANCIAL SERVICES
James Brumley, CSFO

There may be items served that the children have never tried and may come to enjoy. When the fruit or vegetable is served to the students, there is a Nutritional Lesson presented on that particular fruit or vegetable. The more positive the school staff, the students will be more likely to try (and ultimately like) the fruits and vegetables. So PLEASE be positive about what we offer.
