**Note:** No student takes all the tests listed above. Nor is all day devoted to testing on the specified days.

\*Edmentum is not considered a state assessment. In Colbert County, it will be required for K-12, and test security will continue to be maintained to ensure the validity of results. It will not be considered a “high stakes” test but will be a formative assessment used for instructional purposes. Testing and use of results will be under the directions of the location controller, reading coaches, and the individual teachers at each school.

\*\*Dibels is not considered a state assessment. In Colbert County, it will be required for K-2, and test security will continue to be maintained to ensure the validity of results. It will not be considered a “high stakes” test but will be a formative assessment used for instructional purposes. Testing and use of results will be under the directions of the location controller, instructional coaches, and the individual teachers at each school
